WORK EXPERIENCE

Nightingale Corp | 2022 - Present

DIGITAL GRAPHIC DESIGNER

Managed the design and execution of all print and digital marketing materials while overseeing production budgets and maintaining the company's Drupal website.

Created technical drawings, product renderings, and detailed information pages to support new product development and promotional efforts.

Produced sales presentations, newsletters, social media content, and videos to enhance client engagement and brand visibility.

Collaborated with senior leadership on showroom redesigns and supported the sales team with customized visual assets.

TruCash | 2022

DIGITAL CONTENT MARKETER - CONTRACT

Customized web templates using HTML, CSS, and JavaScript for client platforms and virtual portals.

Designed a range of marketing materials including posters, case studies, and promotional displays for client presentations.

Created 3D graphics, animations, and augmented reality content for the company website using Autodesk Maya.

Produced animated explainer videos, edited mobile app UI designs, and developed internal newsletters using MailChimp.

Human Resources Professionals Association | 2020 - 2021

DESIGN AND CREATIVE SPECIALIST - CONTRACT

Designed a variety of print and digital materials, including annual reports, corporate branding, digital ads, and newsletters, from concept to completion.

Maintained brand consistency across all communications and print production, while contributing to the planning and content of the HRP website.

Produced email campaigns in HubSpot and monitored performance through analytics, while also creating graphics for social media and video content.

Demonstrated strong proficiency in Adobe Creative Cloud and WordPress, and supported digital ad deployments for major events like the HRP 2021 Annual Conference.

IBI Group | 2020 - 2020

INTERMEDIATE GRAPHIC DESIGNER - CONTRACT

Utilized creative design skills to develop print and digital materials including high-value proposals, booth graphics, brochures, and presentations.

Collaborated with cross-functional teams to produce e-communications, marketing videos, and custom client-facing deliverables.

Maintained brand consistency by creating layouts using corporate templates and providing creative direction throughout the design process.

Managed production of print-ready assets, met tight deadlines, and ensured efficient organization of design files and project resources.

Pro-X Event | 2016 - 2020

GRAPHIC DESIGNER - FULL TIME

Designed a wide range of marketing materials and digital assets using Adobe Creative Cloud, maintained and updated the company's WordPress website with content and visuals.

Contributed to the design and launch of a U.S.-focused website, supported social media marketing with custom graphics and posts, and helped generate leads that resulted in new client acquisitions.

Enhanced website SEO and traffic using tools like Google Analytics, SEMrush, and Yoast, while also assisting with blog content and promotional campaigns.

Supported print production and finishing tasks, trained staff on file preparation, and performed administrative duties including organizing media assets and preparing print proofs.
